FROM HIS EXCELLENCY

Greetings to the Barony,

I hope everyone is keeping warm this winter. This spring is looking to be busy, and full of opportunities for the Barony to shine.

In March, Coille Stormeil will be hosting "That Moot Thingy" from the 15th - 17th. I will be holding a Baronial court. Please send me award recommendations.

On March 20th, we will be holding a newcomer's meeting at the University. We have a lot of new people practicing Archery, Armored, and Unarmored combat, and we want to get them more familiar with the SCA, especially what happens at events. More details will be forthcoming.

On April 6th, we will be holding an Armored Combat Demonstration at a Mad Rollin' Dolls bout. This will be a great way to introduce the SCA to literally thousands of people. We will need to bring our best to this demo! If you are interested in being part of the demo, please contact Trystan.

Last, but certainly not least is May. On the first weekend, we will be co-hosting a moot with our cousins in Caer Antherth Mawr, and Windhaven. I am looking for a volunteer to autocrat for the moot. The second weekend of May we will be hosting the Northshield Crown Tournament, and celebrating our 40th year as a Barony! Please volunteer wherever possible for this event. We will need help with site prep, cooking, running gate, and many other items.

Stay warm!

ROBERT THE STOUT

MARCH GENERAL MEETING MINUTES

People present: *Leona, Robert the Stout, Eithni, Trystan, Liz, Annora, Nikolaus, Marian, Aesa, Cassandra, Kaydian, Tomas, Demona, John, Gwenhwyvar, Rhys, Toussaint, Jois, Davin*

Trystan: We have the April 6th demo for Mad Rollin' Dolls but we have not heard from many fighters. If you know fighters for fast, solid, good fights and decent armored kits please poke them to contact Trystan. This is a great demo opportunity in front of many people!

Robert the Stout: Spoke with Caer Anterth Mawr and Windhaven about doing a joint moot first weekend of May but we will need to find an autocrat for it. He will send out an email looking for an autocrat for the moot. This would be a primary autocrat; Windhaven and Caer Anterth Mawr are happy to help in general. Will need help finding site near Fond du Lac as it is pretty central for the 3 baronies.

We will be planning a Newcomers' Moot for Wednesday 3.20 as we do not have the Stock Pavilion that night to be held in the Humanities building of the university. 7PM ~ 9PM. It will be kind of a primer for students first event (IE: you'll need garb, explain what hats/coronets mean, ect... Check the Jararvellir email list for more details.)

Call out for volunteering give baskets for largess baskets for Crown Tournament.

Gwen: Many emails received of general beginner info: IE: I shoot archery casually, how do I get more involved, I only visit the Stock Pavilion occasionally, I've dropped by and wondered, ect... Also some emails from folks moving into the area curious about the barony. Can discuss at Newcomers Moot about maybe how to rotate newcomers into Crown volunteering to see all those pieces. The student org fair was a huge help in pulling in new students with great interest.

Leona: I'm up to 3 paper newsletter subscriptions to that plus the copies to send to the few courtesy required offices are what will be printed this year. I've also gotten many more responses on the Baronial Directory information gathering form. I will push this one more time on arriving back from war before putting it together and out the door.

Tomas: He will be away at war for the 3.13 practice along with many of the other warranted rapier marshals of the barony so if there is to be rapier fighting an authorized marshal needs to be present. Tristan has said he will probably be at practice for this.

Demonia: Working on a badge for the Choral Guild which was started at Flesh Wound. Working with Aoife for loaner gear to take to War for Archery in plans to make a bigger splash at war, but needs to get in contact with her before going. May or may not have loaner gear available or a marshal to be in charge of it to take with.

Jois: Here to turn some receipts in to Annora

Toussaint: MOAS Report is filed. Seeking a replacement for MOAS; goal to have election at the June meeting. There is a deputy he can speak to but we'll need a few months to announce and seek candidates. Touissant will be running for Seneschal.

An aside from Liz: We should do Seneschal voting July...realize July is full...move up July meeting to June 30th.

Cassandra and Æsa: Preparations are going well. Good crew! We are confident we'll host a successful event. We will need some folks to coordinate the baronial history part of the day yet. There will be a timeline starting from the beginning of the society where everyone can take a sharpie and add their own landmarks on it. There will also be a wall of scrolls as well to show off scrolls of the members of the barony. The change in site fee we voted on last meeting was approved by kingdom. Her Highness has folks who will be bringing a camp kitchen outside the kitchen onsite which will help make the Peer Picnic part of the day run more smoothly.

Nikolaus: Guild is meeting in Union South Alumni Room Second Floor at 7pm; we have 2 new folks in the guild: an experienced trombonist and new recorder. Guild is preparing for Crown to be able to help with part of the music for dance; will contact Rosanore to see if she has more musical assistance.

Annora: SCA did reach agreement with insurance company over the lawsuit so the kingdom has had 70% of their contribution returned to them. The Kingdom is looking to see what the groups want to do with the portion that can be going back to the groups (70% of our original donation, so \$2100). We will be announcing that the barony will be discussing what we want to do with this. We can accept it all back, part of it and donate the rest to various kingdom funds, or all to go to the kingdom funds as donations. Any one with an opinion on what we should do with this money should plan on attending the April business meeting. Annora's suggestion is general or endowment funds if we do donate to the kingdom. The year end numbers were in last month's *Skein* if you wish to see how the state of the barony is, but Annora will have it as well at the next business meeting.

She is not planning on stepping down any time soon but she is looking for a deputy to start grooming up for the day that happens so this isn't dumped on someone when that change over does occur. Exchequer is a pretty big job with a lot of pieces to learn so this will help a great deal eventually!

Liz notes continued: There are two potential candidates for the Seneschal office so far so we may be looking at an actual vote on candidates instead of a vote of confidence for a sole candidate!

GENERAL MEETING schedule

General meetings are booked for the first Sunday of every month unless noted in 116 Predolin Hall at Edgewood College. The next meeting will be 4.7.2013

IMPORTANT VOTE AT APRIL BUSINESS MEETING ~ on ~ FUNDS RETURNED TO BARONY

As Annora mentioned in her Exchequer's report the barony will be receiving 70% of what we originally donated to the kingdom to help cover the lawsuit that occurred a few months ago. This amount will be \$2100 returned to us.

We will be discussing what we wish to do as a barony with these funds. Examples include putting all of it back in the baronial funds, splitting it with kingdom as a donation, or not taking any of it back. The Warriors and Warlords coffers may be discussed at this meeting as well as this donation could impact those as well, but will be another discussion as it involves Nordskogen as well.

If you wish to give voice to how these funds should be redistributed between barony and kingdom plan on attending the April business meeting to be held in Predolin Hall on the Edgewood College campus April 7th at 7PM.

JARARVELLIR NEEDLEARTS

Did you know that we have a sewing/embroidery group that meets every single (almost) week of the year in Jara on Tuesday evenings? We're very flexible about what people can work on in our group - we focus generally on embroidery but you will commonly see people working on garb, knitting, spinning, and general sewing and we're happy to help you with any of these (but if you want something specific you may want to check with me in advance so I can make sure to match up a skilled person in the craft of your choice up with you). None of us are costuming experts but we can assist with the basics and a bit more.

We meet in homes 3-4 (mostly on the east side) weeks out of the month, and meet at the Dobra Tea House on State the first Tuesday of every month. To find out specifics join our mailing list @

FIRST QUARTER BARONIAL MEETING NOTES

January 2013 ~ Raito and Æsa's Final Baronial Letter

Greetings,

As our time on the High Seats comes to a close, we have been thinking back on our tenure. A few memories stand out. For those who attended the May Day Moot in 2011, it may be shocking that we have fond memories of that frigid day. What we remember so well is the ad hoc Jararvellir Engineering Corps that worked diligently to block the wind, allow the fire to gain some traction and keep many of us warm. It was still a frightfully cold day, but we all had a good time. We also remember well the large demo held that same year, in James Madison Park. The period pavilions, so many people dressed in finery, the flash of armor in the sun, the general public mesmerized by the fighting and all of the A&S projects, was magical.

With regard to the Baronial transition, Their Majesties had a most difficult decision indeed, being presented with three sets of candidates who would serve the Barony well. We were happy to know that no matter who Their Majesties selected, Jararvellir would prosper. We leave you in the most capable hands of Robert the Stout. He will do well by this Barony, and please treat him as well as you treated us.

We will make the transition at Flesh Wound in just a few short weeks, and we hope to see many of you there as we celebrate Robert's investiture.

The weekend before Flesh Wound, we will have our final Baronial Court at Yule Moot. Aoife and Eirik have coordinated a fun schedule of events, including lots of dance. Many events do not feature dance, and trust us that dancing is great fun! It is almost impossible not to smile, and one certainly does not feel the cold, while dancing. We are happy to have a chance to dance the day away.

We also wish to thank the many people who have helped lighten our physical load by assisting in unloading our car, setting up and tearing down our presence, and caring for our children. While we did not have an official chamberlain, Cassandra and Kaydian seem to have adopted us in this capacity and for this, words are not sufficient to explain our gratitude.

One of the unique and, honestly, sometimes overwhelming aspects of this job is to serve as a reflector, or lens, for the great deeds of our people. We have been very fortunate indeed to reflect much joy, beauty and kinship that make this Barony wonderful. The enthusiasm, energy, and sense of humor of our people are truly amazing. Jararvellir is a special place, and we thank all of you for being a part of it.

As Raito says – so long, and thanks for all the fish.

In service, Raito and Æsa

February 2013 Robert the Stout's First Baronial Letter

Greetings to the Barony,

I want to thank those of you who came to see Their Graces Raito and Æsa step down, and witness my investiture at "It's Only a Flesh Wound". I want to thank Their Graces for serving the barony so well over the last three years. You have left a great legacy for me to try to live up to. Finally, I want to thank Their Majesties, and the Barony of Jararvellir for this opportunity. I am honored and excited to serve the Barony over the next three years.

This month we will be hosting "Fighting in the Shade" on the 16th, and a regional rapier practice on the 17th. In March, the Canton of Coille Stormeil will be hosting "That Moot Thingy" on the 16th, and Northshield is going south to do battle at Gulf Wars.

Stay warm! ~ Robert the Stout

FIRST QUARTER BARONIAL MEETING NOTES

January 2013

People present: Robert The Stout; Niklaus; Tystan; Aoife; Eiric; Rhys; Gwenhwyvar; Marion; Annora; Eithni; Kaydian

Gwenhwyvar: Is interested in becoming Chataleine. Please contact Liz if you are interested in becoming Chataleine. We will announce candidates at the next general meeting.

Robert the Stout: Brought Leona's Chronicer report and took notes for her while out of town.

Leona via email from Robert: Newsletters go out! Always looking for articles. I have a form set up to collect info for the directory and will collect throughout the end of the month. Look for that email and FB post this week. Would like to work it out with Eithni and/or Liz to have a laptop at the stock pavilion some practice like suggested last month to let folks there enter info there if they don't read the lists to do it online.

Kaydian: Cub Scouts donated money from the demo (\$100)

Marian: Looking for more volunteers for Gate at flesh wound

Niklaus: Music guild is on. Meeting at his house tomorrow. Will continue to meet at his house. Getting ready for Crown dance ball.

Aoife: Turned in \$194.87 for the Stock pavilion fund. Last month proposed for archery captain position. Will vote at next meeting. Sign your 2013 Stock Pavilion Waivers

Eiric: Yule moot on 1/19. Budget sheet and plan sent to the meeting. No money needed, thanks to Marion getting the room. Outlets may be an issue. No alcohol.

Trystan: Throwing his hat in ring for demo coordinator. Suggest to put money aside for ads at student papers. Do a demo night at the Stock Pavilion? Has a friend who is a mascot for the Mad Rollin Dolls. Do we want to do a half-time show? Please provide input. Thrown weapons group is the 2nd highest scoring kingdom in all three events (spear, axe, knives).

Eithni: Pitching ARRG 12. Memorial day weekend (5/24-26) at White Lake Resort. Site fee \$5 adult, under 12 free. Have Non-member surcharge. Cabins will be available for a charge. Budget: \$20 site booklets. \$30 water supplies. \$50 donation to kingdom. \$75 misc. Total: \$125. Staff: Atherwald as autocrat Demona as List mistress. Robert Talbot (MIC if no one else is available).

Gate and Web Minister TBD.

Policy under discussion: \$5 discount for students. Contact Liz with comments, or come to the next meeting.

WW: Looking for volunteers. Most of the roster is open.

Baronial Turnover will happen at Flesh Wound.

(notes provided by Robert the Stout)

February 2013

People present: Leona Talbot, Eiric Rycard, Aoifé Cnó Capaill, Robert the Stout, Marian, Æsa, Elizabeth von Kulmbach, Cassandra, Drachón, Trystan, Eithni, John Woult, Aelina Aelinisdotter

Tristan: Voted in as demo coordinator. First piece of business as this is to coordinate a demo with Mad Rollin' Dolls. Two dates (March 16th or April 6th) April is the preferred date so far for comments on this. We will need our biggest, flashiest, fastest armored combatants and an absolute minimum of 4 fighters. We have 10 minutes to show off as impressively as we can. Seeking approval to do this as an official demo. Approved

Cassandra and Esa: Talked about 2 pricing options for site fee for Crown, \$10 and \$15, with their different options. 1 splitting lunch out separately from event. 2 is much the same but with the lunch budgeted in still. Their Highness' will also be inviting the Peers of Northshield to host a picnic-style meal to be served during evening Court. These proposed budgets also have the addition of hotel for Their Royal Majesties which was not included in the previous proposal. Profit of event is split 50% with kingdom; est. \$1050. Proposed increase to site to \$15 to move up to kingdom; approved.

Need to start fleshing out the Baronial Anniversary parts of the event. Signet has also asked if we could host a scribal display where people can bring and show off the scrolls they've received. There will also be an A&S fundraiser.

Robert: "Fighting in the Shade" is 2.16 with a regional rapier practice the day after; "That Moot Thingy" is 3.16. Do we want to do a May Day Moot considering we're having Crown the week after. One thought brought up at Yule Moot was a tri~area May Moot with CAM and Windhaven. Robert will reach out to the other baronies to see if there is a continued interest in this if the other groups want this as well.

Some back and forth discussion on where to hold various baronial championships in the next few months. Robert will be looking into these to find good times.

Marian: Has money for Annora; will pass to Liz as she has to pass it along when she sees her this week. 129 in attendance at Flesh Wound.

Drachon: Website is updated with Robert's info. Took out the link for the Order of Precedence for now until it's updated so people aren't confused about the old link.

Elizabeth: Voting for Archery Captian and Chatalain (so Drachon can get the website updated). Aofíe for Archery Captain; approved. Gwen for Chatalain; approved. People will need to get change of officer forms signed and sent into kingdom.

Aelina and Eiric: Just had the Student Org fair with good interest in fencing and archery and another armored. Probably about half a dozen students have shown interest and shown up at practices. Has a question on how budget works if it is for calendar year or school year; she has brought a proposed budget for calendar year. This budget is much larger than last year to account for reaching out to new advertising opportunities to the student groups such as ads run in the newspapers or campus mass-mailers. We'd look at adjusting our current fliers for general and activity specific. Considering for 3 ads for the year (1 spring/end of semester for summer interest), 2 for beginning of fall semester. There is a note that this is an experiment at the moment and if it works to budget this in annually. \$250 proposed budget for expanded advertising for the group on campus in new venues; approved.

Before the closing was asking about grants from the school for equipment as rumored form another group on campus. This might be something to look into but could be kind of iffy as we have so many members who are not students.

Eiric: Yule Moot happened and was good! Attendance was ~50-70 people with donations of \$58 monetary and \$75.57 in materials.

Aofíe: ~6 new folks showed up Wednesday to try it out; 3 on Sunday that went great!

Leona: We've had 26 online submissions for the directory so far. I plan on making printed forms to bring to the Stock Pavilion Wednesday as well as putting out an email reminder that I'm collecting info for this. Will be moving out the due date a month to get more submissions. Next month is the printed newsletter and I will also be putting out another reminder for subscriptions for printed copies before that.

Liz: We have changed out and filled all the positions for the barony! In the next couple of months she will be looking for a seneschal replacement for myself starting around August or September. (Preferably August)

(notes provided by Leona Talbot)

WINTER fish TALES

Welcome fishy~folk of our fair barony to this month's Fish Tales. This will be a space where once or twice a month we will highlight a member of our barony with a few questions posed to them by the fair Lady Demona di Rosa as a bit of a get to know one another! Also, in the interest of a more visual cue than recognizing someone's name on any of our various electronic communications we will be sharing a portrait and, if registered, their arms in our society.

SCA name: Robert the Stout

Mundane name: Rob Trefz

How did you find the SCA?

The gaming group I played with in college hung out at the same restaurant that Nordskogan had social practice.

Why did you join the SCA?

For the chance to make stuff, and I love costuming.

Please tell us about your persona if you have one? What about previous or alternate ones?

Robert the Stout is the younger son of a Scottish lord. Officially, Robert is travelling the continent to help raise troops for his father, but really he is happy to be out of Scotland.

What groups and kingdoms have you belonged to?

Middle, Northshield. I played a little bit in Nordskogan, but I didn't really become active until I moved back to Jara.

What is your latest project?

I'm finishing an Elizabethan men's shirt (hand-sewn linen, with blackwork I traded beer and mead for). Shortly I'm going to start redacting a 17th century mead recipe.

Biggest success and failure?

Metal-work is my biggest failure. I just can't wrap my mind around it. Success is much harder to say. I still have a lot to learn about the various things I do.

Who are your inspirations?

Mistress Eithni, Haus Von Kulmbach, Sir Duncan

What's your favorite event? Do you prefer indoor or outdoor?

The first War Camp. The event was stick-jock paradise. 2 full days of fighting, with grilled meat for feast. I'm pretty evenly split between indoor and outdoor events. Each have their own advantages and weaknesses.

Do you go to court and what attracts you to it?

Yes, if I have time. I like seeing everyone dress up, and hanging out with people.

Current and past officer positions?

I'm currently the deputy Chronicler. I have been MOAS, and Seneschal.

What have you been interested in recently?

Making more period beers and meads. Sausage making.

Aspirations and goals?

Improve my prowess. Make both my hard kit and soft kit more period-appropriate.

What keeps you going in the SCA?

The people, and the fighting.

Fighting/A&S Preference/interests?

I'm something of a jack of all trades. I really enjoy heavy fighting, and I've dabbled in a lot of A&S items over the years. Right now my A&S focus is more on sewing and brewing/vintning.

Have you ever attended a War? if so which ones?

Yes. Pennsic and Lilies.

Thank you Robert for taking some time to answer a few questions that both newer and long-standing fellow fishy~folk may know and recognize you better when out and about the kingdom!

Join us again next month where we will highlight another member to get to know just a little better!

~Lady Demona di Rosa

2012 EXCHEQUER REPORT NOTES

The full spreadsheets for the 2012 Baronial Exchequer report was listed in it's full size in the February 2013 issue of The Skein. While the Chronicler makes every attempt to fully archive in the quarterly issue these spreadsheets are very large with a large amount of data on them. If you wish to view them I would suggest downloading that pdf to view them or directly contacting the Exchequer using the contact information at the beginning of this newsletter to request a copy be sent to you.
