Greetings to the Populace of Jararvellir-

Winter has started early for our Barony, and our thoughts focus on indoor activities. Please let Gerald Loosehelm, our Minister of Arts and Sciences, know about the projects you are working on.

I am pleased to announce that we will be having a Yule Moot on January 26<sup>th</sup>. Thank you to Allesandra and Cosimo for co-autocrating this moot, and Please send any award recommendations to me. There will be an A&S competition at the moot, with the theme being holiday items appropriate for your Persona. This should be a lot of fun.

My December will be quiet. I plan on attending Bull's Head, and possibly Fighter's Retreat.

Stay warm!

ROBERT THE STOUT  
BARON OF JARARVELLIR

# ARGENT AND OR

---

---

Gráinne Fhionnabhair inghean Fhaoláin and Demona DiRosa are here to answer your heraldry questions. Have a question on why those pictures do what they do on folks devices or how exactly countries go together when coming up with up persona names?

Drop them a line at [barony\\_pursuivant@jararvellir.org](mailto:barony_pursuivant@jararvellir.org)

## *Question:*

What does it mean when a charge is “proper”?

## *Answer:*

Proper means that the charge (the thing on your device) is in its “natural” or “standard” tincture. When dealing with tinctures, you are allowed to use red, blue, green, purple, black, white/silver, and yellow/gold. No other colors are allowed UNLESS the charge has a natural state that is different. What does this mean? It means that you can have a brown deer!

When an deer is described as being proper, it is expected to be completely brown. Brown is considered to be a color, by the way, which means you can only put it on a white or yellow background. A zebra proper, on the other hand, would be striped white and black and is considered a metal, meaning it goes on anything except white or yellow.

When you get into things such as trees, flowers, arrows, and such, “proper” actually turns into shorthand for a charge that has multiple colors. A tree proper, for example, has a brown trunk and green leaves. Not everything has a proper coloration, but there is a list of charges that do and do not have a recognized proper coloration. Most monsters do not have a defined proper because they do not exist in nature but, as always, there are exceptions. Want to know if the charge you want has a proper coloration? Ask a herald!

## STOCK PAVILION SCHEDULE

Hello to the populace of Jararvellir,

The following dates entail an animal science class, which could mean animals in pens that interfere with or prevent our use of the Stock Pavilion:

Wednesday, January 8

Wednesday, February 12

Wednesday, March 12

Wednesday, April 9

Wednesday, May 14

In the past, we have been able to work around penned animals to hold most or all of our usual activities. Apparently, cattle are more easily stressed and therefore, our practices have been cancelled entirely in this instance.

Note that this class is held the second Wednesday of every month: animals may be penned overnight thus limiting (rapier and armored combat) or possibly preventing (archery) our usual activities. If it's sheep and other animals that are not cows, there are no concerns about our activities impinging on the animals.

You can check out the Stock Pavilion calendar directly at:

[http://learn.ansci.wisc.edu/scheduling/Lists/StockPavilion/  
PublicCalendar.aspx](http://learn.ansci.wisc.edu/scheduling/Lists/StockPavilion/PublicCalendar.aspx)

If you have any questions about the Stock Pavilion schedule, please contact me directly.

# EUROPEAN DANCE PRACTICE

## **Details for those new to the dance practices:**

We do period dances of Italy, France, and England from the 15<sup>th</sup> and 16<sup>th</sup> centuries, as well as later dances upon request. The dances range from extremely easy to rather complex. Dances are for couples, trios, and larger groups. One does not need a partner to attend dance practice. No experience necessary, all dances are taught. If you can walk, you can dance.

**Time:** 1<sup>st</sup> & 3<sup>rd</sup> Sundays 3-5PM, 2<sup>nd</sup> & 4<sup>th</sup> Thursdays 7-9PM

Please keep an eye out on the Jararvellir email list or Facebook group for updates on if practice will be held or if circumstances entail canceling.

**Location:** Capitol Lakes Retirement Center, 333 W. Main St. Center (Two blocks off the capitol square. Parking on the street is free on Sundays and after 6PM.) The room is the exercise studio that is part of their Aquatic & Wellness Center. There will be a roster waiver set up for everyone to sign when they show up. Please sign in. Please, no street shoes in the room. Either bring a pair of shoes specifically for dancing or plan on dancing in socks or bare feet. There are cubby holes for shoes across from the room.

If you have questions, call me at 608.213.1107

Hope to see you there!

## FALL LETTERS FROM HIS EXCELLENCY

---

*(posted in the October Skein .pdf)*

A few items this month-

First, thank you to everyone who attended the Library Mall demos, especially to John and Hannah for coordinating the demos. We had a lot of interest this year, which will hopefully turn into a lot of new members.

Second, to our combatants at next week's Crown Tournament, I wish strong arms, and resolute hearts. I wish I could attend this year,

Third, I wish to thank the Canton of Coille Stormeil, and house Ironwood for hosting the Brewing and Vitning symposium. It was an amazing event.

Fourth, in a few weeks we will be hosting the Griffin Needle Challenge, a fine mix of sewing and endurance.

In Piscine Strength, **ROBERT THE STOUT**

*(posted in the November Skein .pdf)*

Greetings to the Populace of Jararvellir-

The days are getting shorter, and the nights are colder. This time of year makes me think of projects for the long winter to come. Let people know what you are working on. It can be a great inspiration, and I'm sure myself, and our MOAS will love to hear about them.

I have few things to bring up.

First, I want to congratulate our newest Prince and Princess of Northshield - His Grace Sigfried and Her Excellency Elizabeth. Being Royalty takes an incredible amount of time and effort. I am sure any help you have to offer will be appreciated. Something as simple as helping set up thrones is a great help.

Second, I want to congratulate Jara's team of "Rusty Nails and Regular Beatings" for winning the Pyxis division of the Griffin's Needle Challenge. Rusty Needles consisted of Mistress Eithni, Lord Æðelwald, and Ladies Anna and Allisandra. Their work so far is amazing, and I can't wait to see it completed.

Third, in December at the feast of the Bull's Head the Baron and Baroness of Caer Anterth Mawr will be stepping down. I am looking for donations for a gift basket for the new Baron and Baroness.

That is all for this month. Stay warm!

In Piscine Service, **ROBERT THE STOUT**

## FALL MEETING MINUTES

---

*(posted in the October Skein .pdf)*

People present: *Robert and Leona Talbot, Gunther Kegsleyer, James Applegate, Kristen Bird, Jack Flanders, Ambrose, Eithni, Gwenhwyvar, Annora, Rhys, Alessandra Crespelle, Lanze, Sol, Maritn, Eiric Rycard, Aoife, Gráinne, Toussaint*

Sol: Will have banners information next month

Alessandra: Looking to submit a Yule bid next month

Annora: The quarterly report starting

Gwen: Chatalaine nothing new, winter project, is going through closet. Kids stuff is needed.

Ambrose: Voted in as new Group Rapier Marshal as Tomas's work has been busy. In other news we're looking for sopranos for Baronial Choir.

Eithni: Griffin Needle Challenge is in 2 weeks. Ambrose and the Northstar Corp. will be assisting Eithni in the event. A large number of teams are signed up this year; we're at 8 currently. Extra hands for help clean up or cooking is always appreciated. Will need checks from Annora for the cook and rest of site fee.

WW Preliminary Budget (will post final budget in the next month or two) Despite budgeting for low numbers, attendance was lower yet. There are some event budget items like sanitation that can't be skimmed on. Gate numbers were in the red by about \$30 before the rest of the receipts have come in. We still have some WW tee-shirts to sell which can go to these numbers. WW did not make any money this year, but currently is not looking horribly in the red. Firm numbers later once all receipts are in.

Jack: Wishes to hold Fighting in the Shade for the 4th year. Same deal, same budget, same concerns as previous years. Vote passed.

Leona: Still seeking deputy (see ad in this Skein; will post online). Mathuín Caedmon has volunteered to assist with finishing the directory and I will help him with information gathering next time.

Gunther: Looking to host a silk painting class and a basic black smithing class in the near future. More details as these plans solidify. Currently may have James the Smith for black smithing and Serafina for silk painting on board.

Kristen: Bid for an event for an armored combat colligium (Windhaven is NOT holding Fighters School this year) at the Jefferson Fairgrounds. 50 person break even point for attendance. May 17th. There are already teachers lined up who are interested in assisting. Approved

Toussaint: Has a lot of money to turn in! Fletching has been very busy (a chunk of this from Summer activities plus money from Archery)

Thrown weapons has been good lately. There have been some new folks the last few practices. The TW scheduling will be up in the air for the next few weeks but Toussaint will put the schedule out soon.

Gráinne: Website redesign meeting recently. Waiting line drawing to go to Eithi for finishing before Gráinne can use it for the redesign. We can look into the settings for the email list as there is currently a delay sometimes. The problem is in links and attachments probably which places them in a spam filter which a real person has to check. Gráinne will talk to Mikey to see what we can do about this.

Marian: Just here, but for Nikolaus there is music guild Monday as usual. Rhys will get estimated dates we need to reserve a room at Edgewood for the meetings and will get those to Marian.

Jack: Has been assisting with supplying loaner gear for youth combat but this has been difficult lately as the Play it Again Sports he normally gets them from have dried up as a supply for inexpensive gear. He is asking how we go about getting funds for the combat groups. We have budget for youth equipment from recent fundraisers so just buy the equipment and turn it in.

Q: Do the kids at youth boffer practice get to fight in tournaments outside the group or with other kids?

A: Due to the fact we only have 1 youth boffer marshal in kingdom and it takes 2 to authorize the kids this has been difficult. We would like to have more marshals to get this more active. Currently they've been practicing. Gwen suggested advertising to the Northshield Hall or Facebook group for folks who might be interested in authorizing as youth boffer marshals. Additionally, an assistant would help for consistent practices and activities.

*(posted in the November Skein .pdf)*

People present: *Robert and Leona Talbot, Speraza, Cosimo, Gerald, Gráinne, Robert the Stout, Ambrose, Eithni, Aodhan, John Bartholomew of Flanders, Gwenhwyvar, Trystan, Rhys, Lanzelet, Alessandra, Sol, Eiric*

Rhys (emails): Demona nothing exciting to report for Group Herald; is still looking finding more Fish Tales articles.

Tristan: Lake Mills Demo went well despite low attendance; they tried giving us money but we turned it down as they were doing it as a fundraiser for themselves.

Mad Rollin' Dolls have requested to have us back for another demo. They just need a confirmation that we'll be there. Folks say yes; Tristan should send the emails out to get volunteers now to confirm folks in advance.

Tristan will be ok doing demo coordination through January, but for the few months after that he will need assistance for about 3 or 4 months.

Gwen: Nothing to report.

Aodhan: Not much to report, a few new folks in general and a few folks who've been taking the class are doing a push to get into armor. Marshals send in your biannual reports! The reporting on the Northshield website is now working.

John: We've received a large donation of youth combat equipment! This is very helpful! We're stable at a small number of folks (2-4). Looking to spread the word and get more interest to grow the youth combat program.

Ambrose: Rapier is going well, 12-14 folks roughly (9 new).

Eithni: Preliminary report on Griffin Needle Challenge. 68 paid adults, 1 child, and 6 comps. For the first time ever we had all teams show! Feast was a little lower than expected, budgeted 50, sold 46. There also was an overestimate on food made so some leftovers were sold at the end. This is the last number we need for finalizing report next month.

Grainne: Calvin Fletcher is actively maintaining the Jara email list. There is a flag for emails 40kb in info and larger (if larger than this they're held for human review).

Jois has finished the artwork for the new website which has to get to Eithni for colorization.

No response from Demona on Argent and Or articles so Grainne is going to go ahead and write some up.

Robert the Stout: Not much this month other than at feast for Feast of the Bulls' Head CAM will be going through their baronial transition. We will be looking for donations for gift baskets for this.

Gerald: There has been quite a bit of A&S happening! Please spread the word and post to the lists of FB group to share progress you all have made. If anyone has interest in jewelry please see me as I can help.

Leona: I need to pass the materials I have to Mathuin who has contacted me about helping with the directory.

I have 2 folks interested in deputy: a newer member named Sarah Wheeler, and Speranza Rauvenna. I will see if Sarah still is interested and introduce her at the next meeting as well as have Sarah and Speranza work together. Next month I will start walking them through how one of the printed quarterly issues go.

Eiric: Has started the nibbles to see if the group would be interested in running Spring Crown 2014. As we have much of the decorations and set up from last Crown that we held it would be easier this time around. We should get a copy of the bid from the last one to see what we may need to revise and see what we can get going for prep work (reserve site, see site fee, ect...) that we can submit a complete bid soon. As complete a bid as possible for next month to be submitted as less than 4 months to organize a kingdom event gets tight. We will want to try to see if we can add feast for the bid this time as that was some of the feedback from the last one.

Sol: We have some dates we for sure do not have have the SP as well as dates that pens will be in (please check the calendar for accurate dates). Dec. 4th the sale so there may or may not be trees. I will email the Jara list and if folks can ping the FB group that would be nice.

Marian: We have rooms through May!

Alessandra: Proposal for Yule Moot. This is a new site (Eagle Heights Community Center) and is a good site to get students attending. Looking for the day after "It's Only a Flesh Wound" to try and gain more people in attendance (Sunday Jan. 26th). Demos, dances, games, A&S displays, court and such for activities for the day. Eithni makes note to remind folks that we will most likely not come in the possitive for budget (that's not to say we shouldn't do it, we should, but that donations historically do not cover cost for site for this kind of event). HE Robert is fine with this as it's community building for the barony. Voted approved.

Annora couldn't make it (via Rhys): Third quarter report is in no problems.

Rhys: Nothing new
